## fice here it appears that the E. H. Harriman estate paid \$500,000 transfer

It is not certain that this represents 5 per cent of the whole of the estate or that the amount has been fixed. The payment shows that the estate is worth at least \$18,000,000. If the assessors of Woodbury, now in session, place that amount on the assessment roll this year every other individual in the town will pay but one-eighteenth of the taxes they paid last year. Neither Mr. Harriman nor his estate was assessed anything for personal property last year.
